Thank you to all the families, faculty and friends who answered the call to action and made a year-end gift to the Brooklyn Friends Fund. The Board of Trustees, School Administration and our Brooklyn Friends Fund volunteers are heartened by the generosity and spirit of all those stakeholders who have made BFS a philanthropic priority.

Sports Forecast for 2019: Blue Pride All the Way!

After a two-week winter break, the Panthers are ready to roar! In addition to **Basketball**, student-athletes participate in **Squash and Swim**. Our five basketball teams have earned numerous victories so far, and both the squash and swim teams did very well in their early competitions. Read more on [Weekly Game Highlights](#).

- Follow all the action at bfsathletics.org and come cheer the teams -- there are many home games in the next few weeks.

Guided by the Quaker belief that there is a Divine Light in everyone, Brooklyn Friends School cultivates an intellectually ambitious and diverse community that celebrates each individual's gifts. We challenge our students to value and embrace difference as they develop critical thinking skills and apply their knowledge and intelligence both in and out of the classroom. In this rich learning environment, we inspire all members of our community to voice their convictions, to discover and pursue their passions, and to seek truth. Our graduates are compassionate, curious, and confident global citizens who let their lives speak in the spirit of leadership and service.
