## We Crossed the Finish Line!

While the community moves towards the metaphorical finish line of the school year, 100 BFS runners and walkers crossed a real finish line in Prospect Park on Wednesday evening! A celebration honoring our very own marathoner Dr. Larry Weiss, the inaugural Sprinting for Scholars race kicked off with a kids' dash, was followed by a spirited 5K around the Park and ended with pizza, cupcakes, and friendship. **With the Sprinting for Scholars celebration as well as generous donations, together we've raised over \$45,000 for the Dr. Larry Weiss Endowed Fund for Merit Scholarship.** Thank you to all who ran, walked, cheered and supported Sprinting for Scholars.

## And We're Counting on All BFS Families to Help Us Cross Another!

The Brooklyn Friends Fund Committee is grateful to the dedicated and generous donors who have made voluntary gifts to support all operations of the school through the Brooklyn Friends Fund. As in all BFS endeavors, participation is key. From now until June 17, there's a special opportunity to help raise additional funds for BFS by increasing participation levels. Check out your child's grade below, and please make your gift. Thank you!

## PAT News

### Congratulations and Many Thanks to the PAT Friends of the Library

The spring Used Book Sale raised **over \$3,000** for library programming, which helps to fund visiting authors at Brooklyn Friends. Led by Co-Chairs **Kara Canal** and **Agnes Harley**, the PAT Friends of the Library Committee worked hard hauling and sorting thousands of books and then presenting them for sale on two days on the Pearl Street sidewalk. Thank you to the BFS community for cleaning your bookshelves and passing on your reads for others to enjoy. The PAT also thanks the BFS Facilities Team for their assistance in moving boxes of heavy books and setting up our sale early each morning on Pearl Street. Enjoy your summer reading, BFS!

*With Love and Appreciation*
