

BROOKLYN FRIENDS SCHOOL

April 21, 2020

Dear Lower School Families:

Thank you for your support and partnership as classroom teachers and Specialist teachers pushed out activities and lessons over Seesaw yesterday. As many of you noted, the “feed” in your child’s Seesaw account becomes very long when many assignments are sent out at once. To help with that, we’ve created a “Classroom Journal” and a “Specialist Journal” for each child. The classroom activities (reading, writing, math, social studies) will be pushed out to the “Classroom Journal,” while the Specialist activities will be pushed out to the “Specialist Journal”.

Later today, you will be receiving information from your classroom teachers detailing how to toggle between these two journals. In the email, you will also find information about downloading and accessing the Seesaw Family App.
